

dents are accepted and trained to perform a variety of chairside dental assisting procedures. Applications are accepted throughout the year. The course begins with an academic portion that covers topics such as head and neck anatomy, microbiology, tooth morphology, intraoral anatomy, and infection control. The remainder of the course is dedicated to hands-on training in patient care with an assigned dentist. Upon completion of the program, students are awarded a Certificate of Training and a Red Cross Certificate of Appreciation. For information, call 963-6841 or 963-6839.

Road closure: Stewart Avenue, from the entrance to Bldg. 661 parking lot to the curve at the intersection of Stewart and Graves avenues, will be closed March 20 from 7:30 a.m. to April 3, 7:30 a.m. Detour will be through Arthur Drive to Simpson Street to Graves Avenue. If you have any questions, call Tommy Kicklighter at 963-4963.

Auction rescheduled

A 14th Airlift Wing Spouses Group silent auction set for today has been rescheduled for May 5. For more information, call 760-6365.

Education Center

Math CLEP: A math CLEP preparatory class will be April 3-5 at the Community Education Center. On April 6, students who successfully complete the math CLEP class will be administered the CLEP General Mathematics exam. Successful completion of this test meets the CCAF requirement for mathematics. This class will be offered to active duty Air Force personnel assigned to Charleston AFB only; others are welcome on a space available basis. Those wanting to take this exam must sign up in person and pick up a math CLEP handout.
