New traffic patterns near Charleston AFB

Construction projects are changing traffic patterns near Charleston AFB.

The completion of the vehicle inspection checkpoint on Arthur Drive has led to the reopening of the Midland Park/Arthur Drive intersection.

The repaving of Hill Boulevard near the Dorchester Gate entrance to the base requires the outbound lanes to close Monday, 6 a.m., until May 15, midnight, and the inbound lanes to close May 15, 6 a.m., until May 18, midnight. To alleviate traffic flow problems, the Commissary Gate entrance to the base will be open during these times.

Drivers should take caution while everyone adjusts to the new patterns.
