Release No. 02-02

Feb. 8, 2003

BASE TRAFFIC

Charleston Air Force Base is implementing additional force protection measures which will impact traffic flow around gate areas. The intersection of Midland Park Road and Aviation Ave will be closed.

People entering the gates can expect additional delays, and the public is advised to consider using alternate routes around the base.

As a matter of policy, the Air Force does not discuss particular force protection measures or specific reasons for their implementation. This information is provided to alleviate expected traffic congestion around the base.
